

**Home Learning- 11/05/20**

Your child has just been learning about making repeating patterns with colours. Here are some ideas of what you can do at home.

- Have a go at the activity from the video. Make your own patterns using felt tip pens or colouring pencils.

- Make repeating colour patterns using coloured toys or objects you might have at home.

- These are some online activities where your child can copy, finish and create their own repeating colour patterns
