

Term 6, Week 2

LO: To add whole numbers.

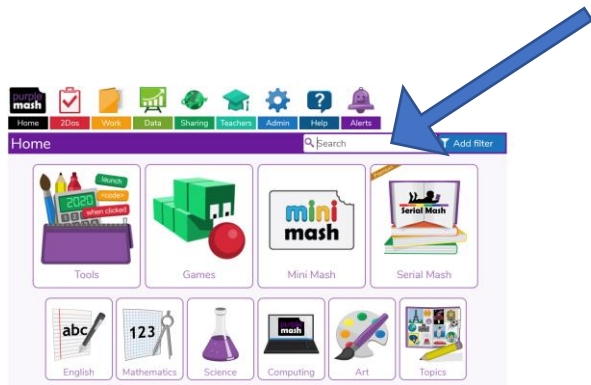

Copy and paste this web address your search to access the activity on Purple Mash

https://www.purplemash.com/#app/pup/maths_activities_Y5_addition_spreadsheet

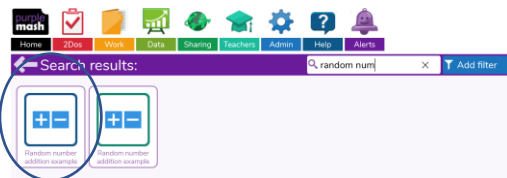

Or you can scan the QR Code below to access the Purple Mash activity.

Alternatively, log in to Purple Mash and in the search bar on the Home Screen type **random number**

You should have a screen that looks like this...

From here, select the **first icon** to launch the game.

You can also generate your own calculations with:

- playing cards (if you have the game Uno then these cards are great!) or making your own
- digit cards, which you can make at home or print and cut out the ones on the following sheet
- dice to generate digits. If you do not have access to dice at home use the following link or the QR Code to access Google Dice
