

Click this link for the Equivalent Fraction online practise and game!

https://phet.colorado.edu/sims/html/fractions-equality/latest/fractions-equality_en.html

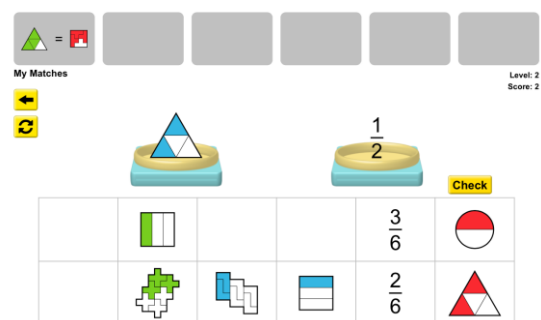

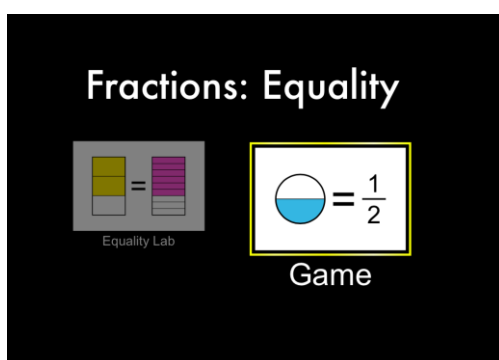

1) Click the 'equality lab' tab to practise finding equivalent fractions.

2) Click the home button at the bottom of the screen

3) Click on the 'Game' tab to take you to the game. Choose your level and if you want the game to be timed or not.

4) Drag your equivalent fractions into each bowl and click 'check'. Complete as many levels as you can! Good Luck 😊
